

**Attention SENIORS, Parents, Friends, and Families,**

Senior ads are a wonderful way to tell your favorite senior how much you love them and how proud you are with words of encouragement, remembrances of years gone by, and old or new pictures that capture everything your senior meant to you.

*Naniskad* is a full color book! This is wonderful news for the quality of the yearbook, and we hope to continue to provide you with even better quality senior ads. We are also now offering the purchaser to come in and create the ad to their liking. This ensures accuracy and the opportunity for your own design preference to be incorporated. If you choose to not help design the ad, you forfeit the right to receive a refund. The prices for ads are as followed:
